

“Many times, children with disabilities have a difficult time finding recreational activities that are suited to their abilities. CP Rochester’s Community Recreation program fills a much-needed gap for my teen-age daughter, Jamie. Jamie loves all kinds of activities and the variety that Community Recreation offers is extensive. These programs provide a safe, well-supervised environment for my daughter where she can socialize, make new friends, learn new things, and most of all, HAVE FUN!! I am truly grateful for the opportunities that CP Rochester provides Jamie so that she can have a full life.”
