

We have been part of the CP Rochester family for almost 3 years. Elizabeth started in their EI classroom when she was barely 2 years old. She is now in her second year of preschool.

The many skills and abilities she has developed are a direct result of her dedicated teachers, therapists and classroom aides. She has made great strides in all aspects of her life.

The staff at CP Rochester has always worked as a team to promote Elizabeth's development and her independence. Learning has always been interactive, high quality, directed to her level and FUN! As parents we were always kept involved in what Elizabeth was learning in her classroom.

It has been a great pleasure to be involved in such an extremely well run, genuine, caring place for children.

Sincerely,
Helene and Joe Waltz
